Allergen Guide for National Menu Items

F	a	Ú	ı	ϵ	2	ľ	a	

VALID FOR: Fall/Winter C1 - 2024 Effective 1/10/2024

VERSION '

Below is a list of our national menu items with allergens identified. There are 9 major FDA identified allergens, which may be of concern to our customers: Wheat (and Giuten also included though not an allergen), Tree Nuts, Peanuts, Milk, Soy, Egg, Fish, Crustacean Shellfish and Sesame.

To access cafe specific detailed ingredient statements:

•Navigate to Panerabread.com on the manager workslate

•Set locations for your current cafe

access specific menu item by category

See All Ingredients

•Scroll down page to "See All Ingredients" button, click to show detailed ingredient statement

NOTE: Menu Items that do "NOT" contain any major allergens will reflect "No Major Allergens Present" under the allergen categories.

NOTE: Many of our products may come into contact with common allergens during production and preparation.

NOTE: * Highly refined oil from allergenic sources are not considered an allergenic ingredient according to FDA and are not reflected below.
